Please complete one map request form for each unique map. Check all that apply. Once a map request form has been submitted, you will be contacted by a GIS Analyst who will discuss the project with you prior to starting work. If you are requesting hardcopy for a large format map (larger than 11x17 inches), AnalyGIS will charge an additional fee for each printout (C Size maps = \$40.00, D Size maps = \$60.00 and E Size maps = \$120.00). There are no additional charges for electronic copies of maps, such as pdf documents, jpgs or other file formats. If you are not sure what type of map you need, we encourage you to call us to discuss your particular project and determine the best way to depict your custom information. We appreciate your business!

Special Instructions:

Describe in as much detail, what features you'd like on the map, and specify what features apply to each location on the map. For example: "Place 10, 20 and 30 minute drivetime polygons (or 1, 3, and 5 mile radius rings) around location #1, show all competitor locations, listed in attached Excel spreadsheet, as blue dots and make subject (location #1) a red dot. Label each competitor with store name. Zoom out to include all of Las Vegas on the map."
